

Dear Brother,

Our 65th Anniversary celebration is coming up soon! Everything will be happening on the weekend of October 5th-7th (Columbus Day weekend). Epsilon Zeta has come a long way over the years, doing great things for the community and creating countless friendships that have lasted far beyond our time in college. The chapter has experienced wonderful growth in recent years and they are excited to be working with the EZAA to make this our best anniversary ever!

We'd love to have you for the weekend --- please fill out the registration form included with this letter. You may also email the info to me at ed7@alum.rpi.edu. Spread the word to anyone you know from EZ so we can make this weekend a huge success! If you have any questions, or are available to lend a hand with the festivities, feel free to contact me any time by email, or by phone at (518) 221-0387.
