Hello Brothers,

Well, spring is here and classes are over, thank goodness, so its time for tanning, swimming, and another alumni newsletter. I hope that you will enjoy it.

Please folks, one last round of applause for our executive committee of this semester:

### Service

Many of our "traditional" projects will be experiencing some changes in the future. Here are some of the projects that we did this semester along with the changes.

The Dean of Students Office and the American Red Cross "Double Teamed" us again this semester. We had a bloodmobile scheduled durring Check In. Special thanks go to those meiotic brothers who were presnt to help out at both projects! For a while now, we have been having trouble getting enough brothers to work at Check In. The Office of Security has solved our problem for us. They no longer want APO's help. They do not want to trust us with handling the new RPI ID/Validine cards that will be given out in the fall.\*\*Editors note\*\*We did have enough people at Check In, although it was difficult getting them there, so this change is not because of us not providing enough people.

The last swimoree to be held in Troy High's pool took place

early this semester. Next year this project will be held in the new RPI pool adjacent to the armory, assuming of course that the pool is finished by then. Marc Besse (ARCH Mas Troy) works for the company doing the pool so I guess we can all yell at him if the pool is not done by then.

We visited the residents of Van Rensselaer Manor for an afternoon of bingo early in the semester and a few weeks later we visited a somewhat younger crowd at Sunnyside Center. We had fun with the kids (if you know what I mean) and the Easter Bunny (Joe Rotella CSCI '86 Stony Point, NY) came along to pass out Easter eggs to the kids. Two weeks later we returned to Sunnyside to do some work for them outside moving swingsets.

We did not run Buspool this semester. We have something new. Now, thanks to TSP (Tim and Steve Productions) we have APO Vacation Travel Services! Tim Kelliher and Steve Austin ('84 EE Cicero, NY) took this project and changed it around a bit. They added busses to the west and south, and a plane to Miami. It was a great success. Possibly too much of a success because the chapter made a bit of money from this project.

The overnigher was held at Camp Boyhaven this semester. It was a destruction and burning project. We took down two cabins and an outhouse and burned the wood. The party theme was DEATH and featured musical selections by "The Magic Chef".

### Fellowship

There is a strange illness pervading much of the chapter that has somehow made the official APO fellowship activity Hearts and Spades. Most days there were two card games going on in the pub area all afternoon. It also happens in brothers' rooms and goes on until early in the morning, even when there is homework to be done. What can we do to stop this madness? Alumni, we need your help! Send us your suggestions to the office c/o Stop The Cards. If there are any interesting or novel ideas they may be published in the next issue of the EZ Times.

The banquet was held at Casey's East in Troy Plaza. Everyone enjoyed the open bar, especially the advisors. The COE party was held at 53 Colvin and was very well attended by the alumni. Unfortunately many of the non-alumni types could not make it because they were at Sectional. We sent about 20 brothers up to Cornell and they enjoyed a well executed conference.

This semester we held the annual wine and cheese party, under the name "YAAPOWACTP" which stands for Yet Another APO Wine And Cheese Tasting Party. We could not agree if it was the eighth or the ninth annual, so we changed the name. Thanks to Bill Neely ('83 ARCH Shelburne, MA) and Dave Ginsburg ('85 CSYS Miami Beach, FL) for running it.

Our new executive committee consists of:

Fall 1984

President.....Matt Terribile  
Service Vice President.....Dave Ginsburg  
Membership Vice President.....Dave Roggenkamp('85 MECL Vernon,CT)  
Fellowship Vice President.....Dan Sullivan('85 CSCI Windsor Locks, CT)  
Treasurer.....Gordon Freedman  
Recording Secretary.....Michelle Joerin  
Corresponding Secretary.....Dave Panagrasso  
Historian.....Andy Braverman  
Sergeant-At-Arms.....Jimmy Huh  
Office Manager.....to be announced

Congratulations to Rich Tarro(EE Mas Providence, RI) for being awarded the DSK this spring. Congratulations also to Nancy Winter, Dave Ginsburg, and Bill Neeley for receiving Service Awards.

Congratulations to Nancy Winter and Rich Tarro who were initiated into the Phalanx Honorary Society this spring.

## GM Week

There was not any snow this year but there was still plenty of rain. The week was not a total loss however, because we did have a couple of sunny days.

Who played Eliza Doolittle in the movie "My Fair Lady?" Yes it's TRIVIA! Nancy Winter, Carol Paradis ('84 Chem Eng Attleboro, MA), Steve Curtis, and Stan Pensak ran the Trivia contest and spent many hours writing questions. This year's winner was once again "One For All", featuring Marc Lagasse.

The Polemic sponsored a scavenger hunt and an APO team entered. We joined forces with the Polytechnic's team to make sure that we would win, and we did. We did not find all the items on the list, so if anyone has a red M&M please let us know.

GM Week was also Brotherhood Week for our pledges, and there was an end of Brotherhood Week party on the Friday of GM Week. There also was an engagement at this party. John Guilford (EE Doc Wakefield, MA) and Lynn Mahnke ('84 Env Eng Casper, WY) announced their engagement. Congratulations and best luck Lynn and John.
