Epsilon Zeta Alumni Association Meeting, April 8, 1984

53 Colvin Circle, Troy, NY

The meeting was called to order at 12:05 AM by Vice President Dave Foye.

The Association discussed whether to hold its Fall Reunion during Homecoming Weekend (October 26-28) or during the weekend of the Chapter Installation Banquet (late September or early October). The Association felt that the Reunion should be held on the weekend of the Installation Banquet.

The meeting was adjourned at 12:07 AM by Vice President Dave Foye.

#### Fall Reunion

At its April meeting, the EZAA decided to hold its Fall 1984 Reunion during the weekend of our Chapter's Installation Banquet. Our Chapter has chosen September 22 as the date of the Banquet, so the Reunion will be held during the weekend of September 21-23. There will be a party on Friday, the Banquet on Saturday, the EZAA meeting on Sunday, and good times for all.

If you are planning to attend the Installation Banquet, then, in early September, please send a note to Dan Sullivan, Fellowship Vice President, so that he will know how many people to expect.

#### Homecoming '84

Homecoming '84 will be held during the weekend of October 26-28. Since the EZAA will not hold its Reunion during Homecoming, as it did last year, should the EZAA plan events for those EZ alumni who will attend Homecoming? Please send your thoughts, positive or negative, to: Andrew Rossbach, Secretary-Treasurer, EZAA, Apartment 1L, 21 Bowdoin Street, Worcester, MA 01609.

#### Annual Dues

The EZAA dues, which are optional, are \$10.00 per year. The dues pay for the annual EZAA directory, the newsletters, the Anniversary Banquets, and other EZAA activities. All alumni who pay dues will receive a copy of the EZAA directory, described elsewhere in this newsletter.

If you choose to pay dues, please complete the enclosed form and return it by August 31, so that we will have enough money to publish the directory.

## EZAA Directory

This fall, the EZAA will publish a new edition of its directory, containing the names and current addresses of our 650 alumni. The directory provides an easy way for you to keep in touch with friends after you leave RPI.

Even if you received a directory last year, you will want the 1984-1985 edition, because many EZAA members have moved during the past year.

If the EZAA doesn't have your correct address, please complete the enclosed form and return it by August 31, so that it will be correct in the directory.

The directory will be mailed to all dues-paying EZAA members when it is published in October.

## Erratum

In the March 1984 issue of the EZAA newsletter, it was incorrectly reported that Bruce Newhall '74 co-founded Applied Robotics, an incubator company at RPI. There is another RPI alumnus named Bruce Newhall, with whom the EZAA newsletter confused Bruce Newhall '74. The EZAA newsletter regrets the error.
