

Epsilon Zeta Alumni Association Executive Committee Meeting
Telephone Conference July 10, 1986

The meeting was called to order by mutual consent at 7:00 PM.

The Executive Committee discussed the Fall Reunion. Various EZAA members had requested that the Reunion be held on a weekend during which there was a service project large enough to include the alumni. The proposed solution was to hold the Fall Reunion during the weekend of the Fall Overnighter, which always requires a large number of people. At the time of the ECOM meeting, the date and location of the Overnighter were unknown. The proposed solution was to send a postcard to all EZAA members giving details about the Overnighter when they become available. Both proposals were approved.

One of the ideas suggested for the 40th Anniversary was a set of Man-Mile Awards, one for the EZAA member who travelled the farthest, and one for the largest group of EZAA members from a single city. The proposal to produce such Man-Mile Awards for the Fall Reunion, at a cost not to exceed \$15.00, was approved.

The Executive Committee confirmed that it had approved the Greater Boston Area Regional Alumni Branch by telephone vote. The approval of the New York Metropolitan Area Regional Alumni Branch set the precedent that a Regional Alumni Branch could no longer receive seed money from the EZAA once the EZAA approved the Regional Alumni Branch. A proposal to fund the next mailing of the Greater Boston Area Regional Alumni Branch, and to have such funding be the last seed money provided to the Branch, was approved.

The Executive Committee discussed the payment of dues. During the past year in particular, when two dues notices were distributed to EZAA members, dues have been arriving throughout the year. Those EZAA members who pay dues receive the Directory, which is published once a year. Two proposals were considered by the Executive Committee. The first was that dues notices be sent only once a year, in the newsletter immediately preceding the publication of the Directory. The second was that EZAA members who pay their dues after the Spring Reunion receive a copy of the next Directory. Both proposals were approved.

The meeting was adjourned by mutual consent at 7:24 PM.
