The 60th Anniversary is rapidly approaching and a date has been set! Please mark your calendars for the weekend of August 31 - September 2, 2007 (Labor Day weekend).

## Letter from Paul Sotherland, EZ Chapter President

Greetings, Brothers!

This fall will bring with it some exciting opportunities. First and foremost, we're hosting Sectionals! Clear your calendars for November 3rd-5th, bring your sleuth hats and magnifying glasses...it's a Murder Mystery theme! I hope to see you all there, and I promise that you'll have a great time!

In addition, we are determined this semester to increase our presence on this campus and in the community, in part by means of a large-scale public relations campaign—an important chapter activity that we'd do well to regenerate. Press releases in local papers, Poly ads, RPI TV slides, and a whole slew of posters will help spread the word about the services we offer, and will be funded by a dedicated advertising budget.

I will work closely with the chapter to encourage continued correspondence with alumni this semester, beyond Sectionals. Don't ever hesitate to send an email to the chapter or to me (apo@union.rpi.edu, sothep@rpi.edu). We'd love to hear from you, and I look forward to our continued relations in the coming semester!

Yours in leadership, friendship, and service,  
Paul Sotherland  
President, Epsilon Zeta Chapter

## Epsilon Zeta hosts the fall 2006 Section 88/89 Conference

It's a dark night in a city that knows how to keep its secrets (and in Troy, that might be for the better), but on the third floor of the Student Union, one group is still trying to find the answers to life's persistent questions... Epsilon Zeta, private eye(s).

This year, EZ will be hosting a murder mystery extravaganza, cleverly disguised as the Fall 2006 Section 88/89 Conference. It will take place over the November 3-5 weekend, here at good old RPI. With the possible exception of some service projects, the entire event should take place on the RPI campus; workshops will be held in the DCC area and the banquet will be in the beautiful Heffner Alumni House. We're looking at a (tentative) \$35 per person all-inclusive registration fee.

We would love to see alumni involved in the event - from start to finish. The planning process is really picking up steam, and we'd appreciate any and all input to make this a truly memorable occasion. We're also looking for anyone who wants to host a workshop or take any other active role in the conference. And of course, we want everyone to come and join us.

If you have any ideas, questions, comments, or just about anything else, feel free to contact me at levinb@rpi.edu. I look forward to seeing you all this fall.

In Leadership, Friendship, and Service,  
Ben Levinn  
Conference Chair
