

Hello Epsilon Zeta Alumni!

Autumn is here again, and Epsilon Zeta is well into another semester of community service, educating new pledges, and planning for the upcoming Section 88/89 conference. This newsletter has information about how to register for the conference; I encourage as many alumni as possible to attend! Show the active chapter your support and see how much has changed since graduation.

Taking place the Sunday of the conference will be an EZAA meeting. I encourage alumni to attend to provide input and insight into the directions in which the alumni association will be headed.

Just a year away marks the 60th Anniversary weekend which will be held during Labor Day weekend, 2007. As of now all plans are tentative, but it's looking like Friday, August 31st will be our kickoff with a reception. Saturday, September 1st will be a day of community service and an evening banquet, with the fall 2007 meeting being Sunday, September 2nd.

I would like to inform all readers of EZAA News that this will be the second to last newsletter to be sent through snail mail. If you are interested in receiving this newsletter, please sign up for the Google Group, which is available online at <http://groups.google.com/group/ezaa>. The Google Group makes the newsletter much easier to distribute. You do not need to be a Google user to join.

If you would like to continue receiving newsletters through the mail, a \$5 per year donation is requested to cover the costs of printing and postage. Checks made out to Epsilon Zeta Alumni Association can be sent to us at: Epsilon Zeta Alumni Association, c/o Alpha Phi Omega, RPI Union Room 3420, Troy, NY, 12180.

Finally, I would like to encourage everybody to take a look at our website. Please feel free to contact me if you have any comments, questions or suggestions. Enjoy the last few months of 2006!

## Letter from Paul Sotherland, EZ Chapter President

Greetings!

The semester now underway, there are a lot of exciting happenings in EZ! First off, I'd like to welcome our three new pledges to an amazing semester. Great to have you aboard!

With Sectionals only a month away, we're hard at work in our planning meetings as we churn out logistics and get that whole murder thing going. (Ever try framing someone? It's harder than I thought!) At the same time, we are busy as usual with our service program as we reach out to organizations we've never worked with before.

Stay tuned for future updates, and I'll see you at Sectionals, if not sooner! Take care!

In Leadership, Friendship, & Service,  
Paul Sotherland  
President, Epsilon Zeta Chapter

## Fall 2006 Section 88/89 Conference

Hello again!

The planning for the fall sectional conference is well under way as we enter the last month of preparations before the big event. Things are getting hectic, but it promises to be a fantastic event for everyone and a wonderful experience, particularly for the brothers of Epsilon Zeta. Alumni are of course always welcome to chapter events, but we would especially like to invite you to attend the full conference. It will be a great opportunity to reunite with brothers old and new and to see where our chapter and the whole fraternity is going.

The conference will be held here at RPI over the weekend of November 3-5 and will have a murder-mystery theme. The all-inclusive (or rather, including the conference, the banquet, a t-shirt, and glassware) cost is \$35. Or, you can just come to the conference for \$15, the banquet for \$20 (and get a free piece of glassware), the t-shirt for \$8, or the glassware separately for \$5.

More information, including the registration packet, is available online at the conference website. We're looking forward to a great conference, and we hope to see you there!

In L, F, and S,  
Ben Levinn  
Conference Chair
